U.S. v. Vision Service Plan; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. section 16(b) through (h), that a proposed Final Judgment, a Stipulation, and a Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States of America v. Vision Service Plan*, Case No. 1:49CV02693.

The Complaint in the case alleges that Vision Service Plan (VSP) entered into so-called "most favored nation" agreements with its panel doctors in unreasonable restraint of trade, in violation of section 1 of the Sherman Act, 15 U.S.C. 1, by effectively restricting the willingness of panel doctors to discount fees for vision care services and substantially reducing discounted fees for vision care services.

The proposed Final Judgment eliminates VSP's most favored nation clause and enjoins VSP from engaging in other actions that would limit future discounting by its participating doctors.

Public comment on the proposed Final Judgment is invited within the statutory 60-day comment period. Such comments and responses thereto will be published in the **Federal Register** and filed with the Court. Comments should be directed to Gail Kursh, Chief; Professions & Intellectual Property Section, Department of Justice, Antitrust Division; 600 E Street, NW., Room 9300; Washington, DC 20530 (telephone: (202) 307-5799).
